Join us for the Administrative Professionals Celebration Breakfast

Tuesday, April 25, or Wednesday, April 26, 2017
8:30 a.m. - 11:00 a.m.

$16.50 per person
$160 for a table of 10

Sponsored by the Office of the Provost and the Center for Training and Professional Development

Guest Speaker: Lori Patterson

Lori co-founded Pixo, a software engineering consulting firm in Urbana, in 1998. She left corporate America over 15 years ago to create a different business environment based on unconditional respect and trust and where greatness can be achieved without compromising professional and personal values. Lori is a Mechanical Engineering graduate from the University of Illinois.
