IN CASE OF EMERGENCY, call the ISYM Counseling Office 217-333-5209
and ask for the ISYM Head Counselor.

Health or medical problems, sickness, and/or emergencies will be initially
referred to Carle Convenient Care and then to Carle Hospital if necessary.
Requests for referral to other local health care providers will be honored if
circumstances permit. Please remember that in case of required surgery,
parental permission is necessary in most cases before action may be taken
by any medical staff. (In the event you cannot be reached, a decision will be
rendered by the attending doctor on emergency call). Therefore, be sure
your son or daughter knows where and how to reach you AT ALL TIMES.

Illinois Summer Youth Music does not carry (nor is responsible for) accident
or health insurance, and it is assumed that such insurance is carried by the
parent. All medical expenses, including drug medications, surgical
procedures, emergency transportation, must be borne by the student, parent,
or guardian. You are reminded that any pre-existing medical conditions
MUST be identified on the student’s medical form

NOTE: If parents will be at a different address from the home address while
the student is on campus, please give that address and phone number to the
Counseling Office.

ILLINOIS SUMMER YOUTH MUSIC FINAL CONCERT SCHEDULES are
online. All parents and friends are welcome and urged to attend the events
as scheduled.

STUDENTS AND PARENTS - Read Carefully.

1. Students are required to attend all concerts and rehearsals.

2. There are certain offenses for which students may be immediately sent
home with a letter to the parents, principal, and school director. These
offenses are:
   · possession or use of illegal DRUGS
   · possession or use of ALCOHOL
   · possession or use of FIREWORKS or WEAPONS
   · unauthorized room or floor visitations
   · absences from classes without prior approval
   · any action that would endanger one’s health or property
   · possession or use of tobacco products

3. Association with persons not affiliated with ISYM is prohibited.

4. Students will not be permitted to leave campus with anyone other than
his/her parents unless a written note of consent is placed on file by a
parent in the Counseling Office. Often students’ parents wish to take
roommates out for lunch, etc. However, this is not a sound practice at
ISM unless written parental consent is given. If you anticipate allowing
your son or daughter to leave campus with anyone other than yourself,
please give your permission by completing the sign-out slip - including
the names of approved adults who may check out your son or daughter.
We will place this form on file. This applies to all persons, including
family members other than parents.

5. Students are permitted to drive their own car to ISYM if they have a
license to do so. However, car keys must be turned into the Counselor’s
office upon arrival. For resident participants, please turn in keys during
registration. Resident students are not permitted to ride to and from
classes and social activities with those commuters who do drive to ISYM.
Commuters should not offer rides to other students. PARKING IS THE
STUDENT’S RESPONSIBILITY.

6. ISYM should be advised if a student has prescription medication
requirements, what they are, and if ISYM staff needs to have a role in
administering it.
